# HAVE MERCY ON ME

q = 60

INTRO      Bm      D      | A      E

VERSE 1      A                      C#m  
I am a sinner,      You're blameless, Lord  
D                      A                      E  
My sins against You can't be ignored  
A                      C#m  
They will be punished,      I know they must  
D                      A                      E  
Your laws demands it, for You are just

PRE-CH      D                      A                      E  
If You would count everything that I've done wrong  
D  
Who could stand?  
A                      E  
But there's forgiveness with You, God

CHORUS      Bm7                      D                      A                      E  
Have mercy on me, have mercy on me  
Bm7                      D  
A broken and a contrite heart  
A                      E  
You won't turn away  
Bm7                      D                      A                      Bsus  
Have mercy on me, have mercy on me  
D                      E                      A                      Bm      D      | A      E  
Because of Your steadfast love

VERSE 2      A                      C#m  
Father of mercy,      You gave Your Son  
D                      A                      E  
To make atonement for wrongs I have done  
A                      C#m  
What You required      Jesus fulfilled  
D                      A                      E      (to pre-chorus)  
I don't deserve it, I never will
